Complaint Letter

Tenant-Landlord Dispute

To the Honorable Court:

I, [Your Name], residing at [Property Address], RR Nagar, [City, State, Zip Code], hereby submit this complaint letter to resolve a tenancy dispute with my landlord, Shashank. The following details the issues I have faced during my one-month tenure at the above-mentioned property:

1. Unauthorized Cutting of Electricity Supply: My landlord, Shashank, has been cutting off the electricity supply to my house at exactly 10 pm every day till 7 am the next morning without any prior notice or consent from me. This act is a clear violation of my right as a tenant to adequate and safe living conditions under the Indian Rent Act, 1999.
2. Lamé Reasons: When I have questioned Shashank about this unreasonable act, he has given lame reasons such as "I need to save money on electricity bills" or "It's a government rule." These excuses are unfounded and do not justify the disruption of my daily life.
3. Threats: Shashank has also threatened me when I have asked him about the electricity cut-offs. This behavior is unacceptable and creates an intimidating environment for me to live in.

I request your honor to intervene in this matter and provide a remedy to this situation. I demand that my landlord cease the unauthorized cutting of electricity supply to my property forthwith. Additionally, I seek compensation for any inconvenience or loss suffered due to Shashank's actions.

I have been a responsible tenant during my stay at the above-mentioned property and have paid all rentals on time. However, Shashank's actions have caused significant distress and discomfort to me, and I request your honor to take appropriate action to protect my rights as a tenant.

Thank you for your time and consideration.

Sincerely,

[Your Name]
